

100,000 IN MAY 13 PARADE.

Preparedness Line-Up to Be One of Biggest in City's History.

New York will see one of the biggest parades in its history on May 13, according to the Executive Committee of the Citizens' Preparedness Parade. The committee met yesterday at the Yale Club and received reports on the progress made in organizing the various trade divisions. It was said that more than 40,000 men have already agreed to march and that fully 100,000 will be in line.

The parade will be a non-partisan affair, and Roger W. Allen, Executive Secretary, announced that no uniforms of any sort will be worn, and that no vehicles, horses, advertising banners or floats will be permitted.

Thirty-nine trades have already announced their intention to take part. The route and time for starting the parade have not yet been set. Mr. Allen declared that business men backing the movement would like to see other big cities in the country have similar parades on the same day.

MORTAL OFFENSE.
(From the Philadelphia Bulletin.)
"I offended George dreadfully."
"Have you made up?"
"Oh, yes; I succeeded in getting him to ask my pardon."

Trained Nurse Used Duffy's And Yeast For Diabetes

ELLEN REID, Trained Nurse.

Some months ago, Van Norden, the celebrated specialist, started his colleagues with the statement that he had successfully treated Diabetes cases with whiskey. As an absolutely pure medicinal whiskey, Duffy's Pure Malt Whiskey made use of such an authoritative statement, but declined for lack of proof. Here, though, is real proof recently received from a nurse who in years of actual practice has found the use of Duffy's Pure Malt Whiskey of immediate benefit in the dread disease, diabetes, and we quote it for what it is worth to the afflicted:

"I have been a nurse, but now retired. I have always taken your Duffy's Pure Malt Whiskey when run down by overwork, and in Diabetes have recommended it to everyone, and with the aid of it and yeast from the brewery Duffy's Pure Malt Whiskey has cured Diabetes. Of course, all sugar and sweet things are out of the diet."—Ellen Reid, 189 100th St., New York City.

Duffy's Pure Malt Whiskey

is an absolutely pure tonic-stimulant, made for medicinal purposes only. No claims are ever put forth for it which have not been proved in actual practice, and unprejudiced physicians never hesitate to recommend this valuable remedy to those whose systems need building up, for Duffy's is a most excellent and invigorating tonic. A tablespoon of Duffy's in equal amounts of water or milk before meals and on retiring benefits the digestion and assists assimilation.

"Get Duffy's and Keep Well."

Sold in SEALED BOTTLES ONLY. Beware of imitations.

NOTE Get Duffy's from your family wine store, licensed druggist or grocer. If he cannot supply you, write us. Send for useful household booklet free.

You Can't Help Loving Meena

One actress gets a thousand dollars a week and is well worth it. Another can't even get thirty. It is a simple matter of talent and charm.

Dorothy Gish

has a charm about her that makes you love her. It reaches out for your heart and "gets" it. You felt that in "Old Heidelberg," and in her newest TRIANGLE PLAY,

Little Meena's Romance

she repeats her former triumphs. It's a simple but romantic tale of the quaint Pennsylvania Dutch told only as TRIANGLE PLAYS can tell such stories. Tears and laughter lie close together. You can see it all this week at the

Knickerbocker Theatre

Broadway and 38th Street

Then for good measure there's a roaring Keystone Comedy—the inimitable "Fatty" Arbuckle with his broad smile and funny ways in "His Wife's Mistake," a rollicking jumble of fun and frolic with a genuine laugh in every foot of the film that will send you home in fine spirits.

Of course by now it is hardly necessary for us to tell you that TRIANGLE PLAYS are the highest development of the motion picture art, but just as a reminder, "There's a Triangle Theatre Near You."
